

Supreme Court Ruling on Free Speech tomorrow!

Monday, 25 February 2013 21:03

The Supreme Court of Canada will release the long-awaited decision on the Bill Whatcott case. We reported on that case when it was heard 16 months ago (click [here](#) to read up on the case). We will post the results as soon as we know what they are. In the meantime, you are on notice that whatever the decision is, we must work to eliminate the censorship powers of the so-called human rights professionals. More to come!
